* The sources marked with (*) in this report are sources that were identified by interviewees as referral sources, but that: (1) Charter did not use directly as a recruitment source; and/or (2) Interviewees were unable to identify more precisely. Many job boards and job banks pull Charter's job vacancies from its website and repost them independently via their own systems. Applicants, therefore, often learn about Charter's job vacancies from sources that Charter does not post with directly and cannot track.

Charter is a member of DirectEmployers Association. Through this nonprofit network, job vacancies for this unit are distributed to a wide array of recruitment sources, including, but not limited to, educational institutions, state workforce agencies and job bank(s), and organizations that distribute employment opportunities to women, minorities, the disabled, and veterans.
