\* The sources marked with (\*) in this report are sources that were identified by interviewees as referral sources, but that: (1) Charter did not use directly as a recruitment source; and/or (2) Interviewees were unable to identify more precisely. Many job boards and job banks pull Charter's job vacancies from its website and repost them independently via their own systems. Applicants, therefore, often learn about Charter's job vacancies from sources that Charter does not post with directly and cannot track.

Charter is a member of DirectEmployers Association. Through this nonprofit network, job vacancies for this unit are distributed to a wide array of recruitment sources, including, but not limited to, educational institutions, state workforce agencies and job bank(s), and organizations that distribute employment opportunities to women, minorities, the disabled, and veterans.

**Supplemental Recruitment Initiatives:**

#	Name	Date	Description
1	Tuition Reimbursement	Ongoing	Charter Communications has a tuition reimbursement program where employees can take college courses to enhance their skills to better prepare them for their current jobs and/or advanced positions.
2	Training Programs for All Employees	Ongoing	Charter Communications requires new employees complete training on the following topics: fostering mutual respect in the workplace, Charter's Code of Conduct, information security, privacy, records and information management, timekeeping, and performance management.
3	Training Programs for Management-Level Employees	Ongoing	Employees at the supervisor level and above can participate in a variety of training programs devised to assist with leadership development and policy administration skills. Offerings provided at various times during this plan year included Civil Treatment for Leaders, Communicating for Leadership Success, Coaching for Peak Performance, Interviewing and Selection, Planning and Delegation, and High Performing Teams. Charter also offers a robust training offering on an electronic learning platform. These electronic courses span a variety of topics, including communication, presentation, time management, managing change, project management, treating employees fairly, and software skills.
